PRE-CONVENTION 2023

[NDAONLINE.ORG](https://www.ndaonline.org)

PRESIDENT'S MESSAGE

Greetings to our illustrious National Dental Association Family.

It remains an honor and a glorious privilege to serve as the 99th President of our historic, transformative, and legendary organization. After over 110 years, the mission of the National Dental Association is still vibrant and well. As stated before, we have been divinely chosen to carry the torch of the NDA boldly into the future – our future is now. In 2023, we are actively “Bridging the Generational Gap: Back to the Future of Advancing Oral Health Equity, Student Mentorship, and Raising our Profile.”

Furthermore, it has been a wonderful experience representing the National Dental Association at the Chicago Midwinter and Hinman Dental Meetings. I enjoyed giving “greetings” at the Georgia and North Georgia Dental Society Mixer (with Past NDA President/BOT Chair Dr. Kim Perry) and at the Meharry Medical College of Dentistry's Alumni Mixer. Additionally, I was truly moved and inspired by bringing “greetings” at the 2023 Howard University College of Dentistry's Honors and Awards Program. At the invitation of Past NDA President's Dr. John T. Daniels

and Dr. Cheryl Lee-Butler, I even attended the 40th Reunion Dinner for the HUUCD Class of 1983. I was also grateful to pen a congratulatory and inspirational message to HUUCD graduates for Robert T. Freeman Dental Society's Graduation Dinner/Pinning Ceremony. I am blessed beyond measure for these wonderful opportunities.

With summer approaching, I look forward the launch of the upcoming dental program collaboration with Henry Schein and the Shatner Foundation that will be launched in Washington, DC, the S.M.I.L.E. Healthcare Pathway Program.

Since “mentorship” is a tactic in our 2021-2024 NDA Strategic Plan that is a focus of my administration, I am excited to see the impact our program will have on each participant. Led by President-Elect Dr. Nicole Cheek, we will undoubtedly make significant progress towards our goal of building a diverse pipeline/pathway of future healthcare professionals and advancing oral health equity by positively impacting diversity in the health workforce.

While writing a letter of recommendation on behalf of our Eddie G. Smith Leadership Institute, I experienced a “back to the future” moment. From the inception, our administration identified “leadership development” as another

tactic from our 2021-2024 NDA Strategic Plan upon which to focus and to develop. In doing research about Dr. Eddie G. Smith, the “Father of the SNDA,” I learned that he “passionately believed that the strength of leadership would determine the future of the NDA; that sufficiently training and mentoring future leaders is the duty and obligation of current leaders; and that it is imperative that present and future generations must preserve and pass on history, information, and knowledge.” Having climbed the ladder of NDA leadership, from LSU SNDA member to Pelican State Dental Association President to NDA President (with many positions in between), I fully appreciate the need to develop strong, knowledgeable, and capable leaders. Carrying the “torch of the NDA” is a privilege and a monumental undertaking that requires preparation.

As we appeal to different generations, we must be intentional in our efforts to help our future leaders succeed. We must promote growth/learning in a safe, stable, and comfortable environment where ideas are respected, “vision” is allowed, and voices are actually heard. Different leadership styles can be an asset, as we all have different personalities, strengths, and weaknesses. We must allow room and space for “leadership styles” to be measured and evaluated by their effectiveness

in the advancement of our mission. Our responsibility, as leaders, is to arm our next generation with as much history, experience, and knowledge necessary to advance the National Dental Association forward. As a result, I am excited to announce that our very own Eddie G. Smith Leadership Institute will be awarded the American College of Dentists Ethics and Professionalism Award (nominated by Past NDA President, Dr. Pamela A. Alston).

With the departure/resignation of our NDA Executive Director, a friend, colleague, and supporter of the National Dental Association, Ms. LaVette Henderson, has again accepted the responsibility to guide our national office as our Principal Consultant. With so many "bridges to build" in 2023, her experience and familiar/exemplary leadership is much needed and appreciated. Our strong national office team remains intact, resolute, and unwavering. Furthermore, the search for our next NDA Executive Director, led by NDA Assistant Treasurer Dr. Lenise Yarber, is well underway.

At best, our national political climate is volatile. Anti-DEI legislation is threatening our very existence in dental schools across our nation. Looming book bans and educational restrictions in our schools weakens, distorts, and falsifies the historical lessons being taught to current and future generations. Interestingly, as African-Americans are being excluded from school lessons, other groups of minorities are being promoted and included. For those of us who have engaged in the racial tolerance versus

acceptance debate, we cannot ignore that society has quickly moved to a stance of neither tolerance nor acceptance. Many of the strides that we have made as a people are being challenged by a lack of empathy, care, or concern. Other accomplishments are being deliberately or systematically attacked with urgency, vengeance, and intention. As a result, our great nation suffers from the many current legislative attempts to divide, ignore, and eradicate our reality, experiences, and contributions to American history. What made America truly great was its willingness to accept the challenge of blending races into a gumbo of diversity, the hope given to the "tired and poor," and the opportunities provided for those seeking refuge from religious or political persecution. At one time, it at least "appeared" that we were trying to heal from self-inflicted racial atrocities and a history of oppression. Very recently, it appeared that "change" was on the horizon and taking place in our country. The national climate was much more civil, affable, and accommodating.

Now, our nation is very much divided (again). Civility has given way to anger, mass shootings, and violence. Voting rights are being challenged/removed. Legislators are being expelled in acts of political retaliation. Women's rights and affirmative action are being eradicated and debated. We seek to "pacify" the feelings of descendants of the oppressors instead of acknowledging the feelings of the descendants of the oppressed. For the aforementioned reasons, we must remain vigilant, vocal, and active. We have come too far to turn back now. We must continue

to champion oral health care as a right (not a privilege), to be the voice/advocate of the underserved and overlooked, and "to fight the good fight." So much of our lives and future generations, depends heavily on our having and exercising the right to vote, fair and equal representation in local/state/federal government, and the opportunity for proper education and professional advancement.

In our ever-evolving quest to "bridge the generational gap," I look forward to building on the momentum started at my inauguration in Shreveport, Louisiana as we convene, as a complete NDA Family (NDA, SNDA/USNDA, NDHA, NDAA, ANDA, NDAF, NDA CRT), at our 110th Annual NDA Convention in New Orleans, Louisiana on July 20th-23rd. We will observe 110 years of the NDA and celebrate 10 years of the NDA's signature community outreach program, NDA-HEALTH NOW (with Past NDA President, Dr. Hazel Harper). I am most grateful to the Local Planning Committee (Chaired by Dr. Stephen Brisco and Past NDA President, Dr. Romell Madison), Scientific Committee, Minority Faculty Forum Committee, New Dentist Committee, and the NOLA Advisory Committee for providing "state of the art" scientific sessions, for offering fellowship with family organizations and friends, and for featuring the rich, cultural New Orleans experience. Always remember – "Today, and every day, is a great day to be in the family of the NDA."

Healthy regards,

Dr. Marlon D. Henderson

4. Discuss the rationale for Transmission-Based Precautions and their application in oral healthcare setting

CIVIL RIGHTS LUNCHEON (TICKETED EVENT)

12:30pm - 2:00pm

Speaker: Calvin Mackie, PhD
Room: Celestin A-B

President's Symposium:

Diversifying Dentistry through Mentorship, Recruitment, Outreach, and Financial Planning."

Saturday, June 21, 2023 – 9:00am – 11:00am – CE 2hrs

The theme of our 2023 NDA President's Symposium is "Bridging the Generational Gap: Diversifying Dentistry through Mentorship, Recruitment, Outreach, and Financial Planning." African Americans represent 14.2% of the United States population. However, it has been well documented that we only represent 3.8% of dentists in the US. Furthermore, the low number of African American males presently enrolled or seeking admission in dental schools is trending in an alarming direction. The NDA mission charges us to "advocate for the needs of and to mentor dental students of color." But, what will happen when there are no dental students of color to advocate for or few new dentists of color to mentor? What will happen to oral health equity when there are few or no providers who treat the underserved or who provide much needed access to care? What will happen in many of our communities when there are fewer dental professionals providing jobs, support, and inspiration in our neighborhoods?

Furthermore, what effect will current trends have on

the viability of our dental schools, opportunities for practice transitions, and our pursuit of the American dream (economic empowerment)?

With 3.8% as our call to action, we must explore ways in which we can all "bridge the generational gap" to positively advance the diversification of dentistry. Moderated by Dr. Eleanor Fleming (University of Maryland), our panel will include: Dr. Todd Ester (University of Michigan - Mentorship), Dr. Reginald Salter (Howard University - Recruitment), Dr. Gillian Barclay (Colgate - Outreach), and Ms. Nasha Knowles (Equitable Advisors - Financial Planning). The goal is to develop and institute ways that NDA members can leverage our various stages/roles to fulfill the mighty mission of the National Dental Association and to keep us "fit for the future." We look forward to your presence, your ideas/solutions, and your enthusiasm at our 2023 NDA President's Symposium.

Moderator

Eleanor Fleming, PhD, DDS, MPH, FICD

Community Outreach Event

Date

Friday, July 21, 2023

Time

8:00AM - 12:00PM

**Milne Center
5420 Frankline Ave. New Orleans, LA**

Featuring

Dental Screenings & Referrals, Passport to Total Health, Brush-a-Thon, Oral Health and Hygiene Education, Information and Resource Center for grown-ups, Goody bags, Prizes and Surprises!

Registration for all participating children, volunteers, and guests required.

The National Dental Association (NDA) - HEALTH NOW® Project is our signature award-winning project. It is a national, community-based, grassroots health initiative launched in 2013 with a grant from the Links, Inc. Foundation. The NDA-HEALTH NOW® initiative provides services, education and access to underserved communities and works to:

- Increase health care access;
- Eliminate disparities;
- Increase health literacy and
- Promote prevention.

Since its inception in 2013, NDA-HEALTH NOW® has supported and implemented over 150 programs globally. The program continues to expand its efforts in different arenas to improve the quality of life of our communities by way of:

- Inter-professional Health Teams
- Evidenced-Based Research
- Integrated Medical-Dental Electronic Health Records
- Involvement of HBCUs
- Mixed-used Mobile Health Units

Sponsors & National Partners - Colgate, Crest Oral-B, DentaQuest, Diverse Dental Society, Henry Schein Cares, The Links, Incorporated, Listerine, National Dental Hygienists' Association, and Student National Dental Association

Executive Director Position Posting

The Executive Director is the key management and operations leader of the National Dental Association (NDA). The Executive Director is responsible for overseeing the administration of the NDA, its programs, and the organization's strategic plan. Other key duties include fundraising, marketing, and community outreach. The Chairman of the Board shall serve as the Executive Director's immediate supervisor.

GENERAL RESPONSIBILITIES

1. Leadership Governance: Works to collaborate and strategizes with officers, trustees, delegates, NDA Families, membership, staff, and the NDA Corporate Roundtable, sponsors, and convention vendors to fulfill the organization's mission.
2. Financial Performance and Viability: Develops, manages, and maintains resources to ensure the organization financial health.
3. Organization Mission and Strategy: Works with Leaders and staff to ensure that the mission is fulfilled through programs, strategic planning, and community outreach.
4. Organization Operations: Oversees and implements appropriate resources to ensure that the operations of the organization are appropriate.

JOB RESPONSIBILITIES

- Report to the Chairman of the Board of Trustees
- Work closely with the Chairman of the Board of Trustees and the Board and the President to seek their involvement in policy decisions, fundraising, and increasing the overall visibility of the organization.
- Work with the Speaker of the House of Delegates to develop Constituent and Component Societies, in addition to developing pertinent policy statements on behalf of the NDA and acting as a conduit of additional communication between the Board of Trustees and the House of Representatives.
- Supervise, evaluate, and collaborate with organization staff.
- Travel with the President as needed
- Assist and ensure in the travel logistics and planning for the President and the Chairman of the Board
- Strategic organizational planning and implementation in conjunction with the Board.
- Strategic Financial Planning and implementation of the annual budget.
- When the President nor Chairman is unavailable, serve as one of the alternate spokesperson to the organization's constituents, the media, and the general public
- Preparing public announcements and statements for the President.
- Establish and maintain relationships with various organizations and utilize/leverage those relationships to strategically enhance the NDA's Mission.
- Engage in fundraising and developing other non-dues revenues and resources.
- Oversee marketing and other communications efforts.
- Oversee organization and implementation of Board, House, and committee meetings.
- Establishing and implementing employment and administrative policies and procedures for all functions for the day-to-day operation of the NDA.
- Review and approve contracts for services to recommend for Board review.
- Responsible for executing and ensuring the success of the Annual Convention, Mid-Winter and Transition Meetings and Planning
- Other duties as assigned by the Board of Directors.

PROFESSIONAL QUALIFICATIONS NEEDED

- A bachelor's degree minimum, Master preferred (MPH, MPP).
- Transparent and high-integrity leadership.
- Five or more years of senior nonprofit management experience.
- Experience and skill in working with a Board of Directors.
- High-level strategic planning and financial forecasting. Ability to envision and convey the organization's strategic future to the staff, board, volunteers, donors, and the public.
- Ability to effectively communicate the organization's mission to donors, volunteers, and the overall community.
- Demonstrated ability to oversee and collaborate with staff.
- A history of successfully generating new revenue streams and improving financial results.
- Active fundraising experience. Excellent donor relations skills and understanding of the funding community.
- Previous success in establishing professional and work-related social relationships with individuals and organizations of influence, including funders, partner agencies, and volunteers.
- Solid organizational abilities, including accounting, planning, delegating, program development, and task facilitation.
- Strong financial management skills, including budget preparation, analysis, decision-making, and reporting.
- Strong written and oral communication skills.
- Strong public speaking ability.
- Strong work ethic with a high degree of energy.

Interested candidates should send their resumes to
NDA Principal Consultant, LaVette Henderson, CMP, HMCC, FACD - Lhenderson@ndaonline.org

Wolverine Dental Society

Detroit, Michigan

The Wolverine Dental Society (WDS) of Detroit, Michigan held its first CE Day Event at the University of Detroit Mercy School of Dentistry (UDM) on March 25th, 2023. This was also WDS's first in-person gathering since before the Covid-19 pandemic. Participants included dentists, hygienists, assistants and dental students. Dean Mert Aksu of the University of Detroit Mercy School of Dentistry provided a greeting to the group. Dr. Darrell Williams, President of the WDS also served as Moderator for the meeting.

The Wolverine Dental Society is the Metro Detroit based Dental Society for African American Dentists. WDS was founded in 1934, we are proud to be celebrating 89 years of service to the African American Dentist and our community.

Dr. Sanjay Chand, Clinical Associate Professor and Director at UDM, provided an excellent lecture on the required Continuing Education

Courses for dental licensing and renewal in Michigan on Infection Control and also, Pain Management.

Dr. Chand's Areas of Expertise are Infection Control, Infectious Diseases, OSHA Standards, Drugs (Pharmacology), and Pain and Anxiety Control.

Prof. Chand currently teaches pharmacology and therapeutics to dental, dental hygiene, and nursing students. He participates in clinical teaching and chairside therapeutics for dental students. He is also an instructor in the Nurse Anesthesia and Physician assistant programs.

The Pain Management Course included an overview of different types of pain syndromes and best practice guidelines on the management of acute and chronic dental pain. Non-steroidal analgesics, Opioids and the Opioid crisis in the United States were discussed in detail.

The Infection Control and Prevention in Dentistry portion provided dental health care professionals information necessary to stay current with infection control and prevention protocols and guidelines; how to maintain a safe workplace environment and implement appropriate infection control measures in their practice. Participants also gained a further understanding of common transmissible and infectious diseases and gain insight into the

appropriate immunizations to prevent such diseases.

Dr. Tamika Thompson, Clinical Associate Professor at UDM provided a very informative Continuing Education Course on Periodontal Diagnosis and Classification.

Prof. Thompson is an instructor in didactic and clinical courses in periodontics to dental and dental hygiene students, accelerated dental student program, and graduate periodontal residents.

This continuing education course was designed to serve as an update for all dental professionals. Participants reviewed the differences and similarities between the 1999 and 2017 periodontal classification for periodontal disease. Participants used multiple problem and case-based scenarios to diagnose and classify periodontal disease using the 2017 Classification.

Dr. Josh Thomson, Associate Professor and Director of Research Administration at UDM invited students to participate in the CE Day Event by providing Scientific Research Posters. 18 Posters were on display and shared by many of the students who created them. Areas of investigation included Biomedical Sciences, Dental Hygiene, Periodontics, and Orthodontics.

4 hours Continuing Education Credits were provided to participants in the WDS CE Day Event.

The Program was well received by students, hygienists and dentists. We will conclude our business year in June with a joint meeting with the Detroit District Dental Society; and resume in September. All minority dentists in the area are encouraged to become members of WDS; our meetings are open to registered guests. We meet monthly with guest speakers on a variety of dental health topics relevant to the profession of dentistry. More information about the Wolverine Dental Society can be found on our website,

www.Wolverinedentalsociety.com.

Leadership develops daily, not in a day according to John C. Maxwell, #1 New York Times bestselling author and leadership coach. Good leaders continually look for ways to learn and grow. To meet this need for NDA leaders and aspiring leaders, the Eddie G. Smith Leadership Institute will offer sessions during the NDA Convention on Thursday, July 20th from 1:30 PM – 3:30 PM and on Saturday, July 22nd from 1:30 PM – 3:30 PM. Dr. Steven Chan will present the session, “Organized Dentistry Leadership Journey Lessons and the Pathway to Overcoming Vicissitude Victoriously.” Dr. Chan is a highly regarded leader inside and outside of the dental profession. As far as organized dentistry, he is Past-President of the American College of Dentists, the California Dental Association, the California Dental Association Foundation Board, and the California Society of Pediatric Dentistry. His leadership skills, entrepreneurial spirit, calculated risk taking, and inspiration have moved forward the organizations he has led.

More than a gifted communicator; Dr. Chan is a griot in the African storyteller tradition who tells his stories as a warrior drawing on his sources of inspiration. And he will elicit your warrior stories. Perhaps they are stories of unforeseen obstacles and obstructions, of misdirection and sinkholes, and of coming eye to eye with decisions. These circumstances have the makings of stories that describe the

vicissitudes of leadership, that is, changes of circumstances that typically are unwelcome or unpleasant. They are stories of leadership journeys as warriors through unknown territories.

There are no manuals, no platitudes, and no great moral dictums to guide us on the leadership journey. Leadership is a discovery of self. And it is the identification of serendipitous teachers along the journey. And for leaders who persevere and have teachable spirits, they are stories about maneuvering the vicissitudes victoriously.

The Eddie G. Smith Leadership Institute Summer session is crucial because it gathers NDA members together as leaders and as warriors to encourage each other. The NDA, the dental profession, and society at-large need NDA members to step up or to stay the course on the leadership journey.

The late NDA Past-President Eddie G. Smith for whom the Leadership Institute is named believed that those who have the capacity to lead must do so. And he believed that in order to carry the mantle of leadership, leaders must devote themselves to becoming students of the leadership process. Past-President Smith was the first Speaker of the NDA House of Delegates (1967-1970) and NDA President (1972-1973). He fervently believed that the future of the NDA would be determined by the strength of its leaders. Further, he

believed that the duty and obligation of current leaders is to train and mentor future leaders. He did not pontificate. Past-President Smith was a visionary whose devotion to the NDA and its ideals compelled him to secure its future by advancing the full inclusion of students into the NDA as the SNDA and by catapulting women members into leadership roles.

The Ethics component of the Institute Summer Session will be delivered by Dr. Fotini Anagnostopoulos-King on the topic, “Dental Ethics, Informed Consent and Decision-Making Models.” The NDA is grateful to the American College of Dentists (ACD) for its generous sponsorship of these two Eddie G. Smith Leadership Institute Summer sessions.

The Eddie G. Smith Leadership Institute is all about inclusiveness and belonging in the spirit of the Past-President Smith himself. Therefore, the Summer Institute Summer session is open to all convention attendees whether you are a member of the NDA or of a family organization. The only requirement is that attendees have open minds, teachable spirits, and a willingness to contribute to the dialogue.

The Eddie G. Smith Leadership Institute is directed by NDA Past-President and ACD Fellow Dr. Edward Chappelle. This year’s Summer Institute session is co-directed by NDA Past-President and ACD Regent at-Large Dr. Pamela Alston.

Greetings NDA Family Organizations,

NDA board of directors welcome each dentist to register their staff as soon as possible. Please bring them to connect with NDA in New Orleans. We are excited and will preplan our 60th anniversary for the following year. We want to increase our membership and elevate this organization to the highest level possible. We are celebrating 59th years this year. We will celebrate our 60th next year, and we are asking all dentist to register at least one staff member. There is work to be done that does not stop because laws continually change. We are trying to increase our membership by visiting schools and inviting their students to join NDA at a very low price. It was an absolute honor to celebrate and support our NDA President Dr. Marlon Henderson in Louisiana. We are looking forward to the support of the NDA to successfully move NDA to the next level. In order to achieve our goals of providing students and dental assistants with low membership costs we need our NDA family to become sponsors of our programs and bring their staff members to the conventions. It is a winning situation for all because more assistants more traffic to scientific sessions, exhibit hall, and to work community service project.

Our journey begins with our continuing education for all registered members. We will have guest speakers that will provide credits from 1.5 to 2 hours per each session. The speakers will cover aspects of the dental office that directly involve the assistant and the clerical staff. The classes are filled with knowledge and the speakers make learning fun. It is our inspiration to continue offering courses to prepare dental assistants and clerical staff for greatness, but we need funds and all Dentists to register their staff with us. We recognize that our fundraisers will not always allow us to cover the full cost of our events NDA family. We are asking for your help by selecting a Tier Level below of sponsorship that will help us fulfill our goals. There are four tiers listed below:

Platinum Level	\$2500.00 - you will receive a full-page color ad in NDAA Journal and 2 tickets to an NDAA function
Gold Level	\$1500.00 - you will receive a full-page ad in NDAA Journal and 1 ticket to an NDAA function
Silver Level	\$1000.00 - you will receive a ½ page ad in NDAA Journal
Bronze Level	\$500.00 - will receive a business card ad in NDAA Journal

All participating sponsors will receive recognition in our newsletter. You will also receive special recognition at our NDAA President's Breakfast/Brunch.

On behalf of NDAA Executive Committee, it is with our deep appreciation and gratitude that we thank you in advance for donating to NDAA. Yours Truly,

**Angela Bowens
NDAA President**

LEADERSHIP EXPERIENCE

I certify that I have served at least three years in a leadership position (NDA HOD, BOT, or Committee Chairperson). Please list the positions:

1.	
2.	
3.	

DUTIES & RESPONSIBILITIES

- 1. President.** It shall be the duty of the President to:
 - A. Serve as an official representative of this Association in contact with governmental, civic, business, and professional organizations for the purpose of advancing the objectives and policies of this Association.
 - B. Serve as a member of the Board of Trustees and perform such duties as are provided in Chapters V and VI of these Bylaws.
 - C. Preside at the general meetings of the annual scientific session and to deliver an address at the opening general meeting of such sessions on such matters as he may deem important to the public and the dental profession.
 - D. Call special sessions of the House of Delegates and the Board of Trustees as provided in Chapters V

and VI of these Bylaws.

- E. Appoint the members of all committees not appointed by the House of Delegates or Board unless otherwise provided by these Bylaws.
 - F. Fill any vacancies in the office of trustees as provided in Chapter VI, Section 6, of these Bylaws and to fill any vacancies not provided for in these Bylaws.
 - G. Submit a written report of the activities of his office to the House of Delegates.
 - H. Deliver an annual address before opening meeting of the House of Delegates on the State of the Association.
 - I. Be one of three signatories on all accounts of the Association.
 - J. Preside at the public meetings of annual convention
 - K. Perform such other duties as may be provided in these Bylaws.
- 2. President-Elect.** It shall be the duty of the President-Elect to:
- A. Assist the President as requested.
 - B. Serve on the Board of Trustees.
 - C. Succeed to the office of President without other election at the next annual session of the House of Delegates following his election as President-Elect.
 - D. The President-Elect shall have served at least three years in a leadership position prior to the nomination for the office.
- 3. Vice-President.** It shall be the duty of the Vice-President to:
- A. Assist the President as requested.
 - B. Serve as a member of the Board of Trustees.
 - C. Succeed to the office of Acting President or President-Elect in the event of vacancy in any such office as provided in this chapter by these Bylaws.
 - D. The Vice-President shall have served at least three years in a leadership position prior to the nomination for the office.
- 4. Treasurer.** It shall be the duty of the Treasurer to serve as custodian of all monies, securities, and deeds belonging to the Association which may come into his possession and he shall hold, invest and disburse same, subject to the direction of the House of Delegates or these Bylaws. He may be re-elected. Serve on the Board of Trustees. Serve as Chairman of the Budget Committee. Be one of three signatories on all accounts of the Association.
- 5. Speaker-of-the-House of Delegates.** The speaker shall preside at meetings of the House of Delegates and shall perform such duties as the custom and parliamentary usage require. He shall have the right to vote only when his vote shall be the deciding vote.
- 6. Vice-Speaker of the House of Delegates.** The Vice Speaker of the House of Delegates shall assist the Speaker in the performance of his duties and preside in his absence. The Vice-Speaker of the House shall serve as an ex-officio member of the Board of Trustees without the right to vote.
- 7. Secretary.** The Secretary shall serve on the Board of Trustees and Executive Committee keeping accurate records of the business of the Board of Trustees.
- 8. Assistant Secretary.** The assistant secretary shall assist the secretary as requested. The Assistant Secretary shall keep accurate records of the business of the House of Delegates. The Assistant Secretary shall not be a member of the Executive Committee.
- 9. Assistant Treasurer.** The assistant treasurer shall assist the treasurer as requested. The Assistant Treasurer shall not be a member of the Executive Committee.
- Each officer is responsible for his/her own travel to meetings except the President.**
- The **Board of Trustees (BOT)** meets at least (4) times each year: the Mid-Winter Meeting (February/March), possibly during Day on the Hill in (May), during the Annual Convention (July/August), In September, and the Transition Meeting (November/December). Additionally, telephone conference calls and the Chairman of the Board, when deemed necessary, may call special emergency meetings at any time. Each Trustee will be notified in writing when time permits, by email, or by telephone.
- Trustees are expected to attend all **BOT** meetings. A quorum, consisting of a majority, is needed to convene a meeting and transact Association business. Therefore, it is critical that Trustees are present and on time so that business can be conducted in a timely and efficient manner. If an absence is anticipated, a letter to the Chair should be submitted along with the name of an alternate Trustee for the meeting in question.

Currently, the **Executive Committee** (EC) meets (3) times each year: during the Mid-Winter Meeting (February/March), during the Annual Convention (July/August), and the Transition Meeting (November/December). Additionally, monthly telephone conference calls led by the President. Notification will be in writing when time permits, by email, or by telephone.

EC members are expected to attend all meetings. A quorum, consisting of a majority, is needed to convene a meeting and transact Association business. Therefore, it is critical that members are present and on time so that business can be conducted in a timely and efficient manner. If an absence is anticipated, a letter to the Secretary should be submitted.

I consent for my name to be placed in nomination for the office indicated above at the mid-Winter meeting in 2023. I understand that my term, if elected, will be for one year commencing January 1, 2024. I hold harmless the NDA, its officers, the Board of Trustees, the House of Delegates, its members, and affiliate if elected according to the provisions of the NDA bylaws.
